April 25, 2022

Dear Valued Customer,

Effective May 1, 2022, Crucible Industries LLC will be implementing an Energy Surcharge of \$0.038 per pound. This surcharge will apply to all open orders and will be published regularly with the raw material surcharge mechanism.

All of the employees at Crucible appreciate your business and realize that short lead times and superior delivery performance are extremely important to our customers.

Sincerely,

Crucible Industries LLC
