

Crucible Industries Gives Back

Thanksgiving is a time to give thanks, and employees at Crucible have much for which to be thankful. As a way to give back to the community, our employees continue a annual tradition of collecting food for families in need in the annual food drive.

Areas in the company compete for the recognition of having collected the most food items.

Crucible then makes an additional donation to the charities of the winning area's choice.

And each year, the company goal is to collect more food items than the year before.
